Is Christianity really true? What about all the contradictions? Isn't it just a story?
A myth? People of all ages struggle with these questions, but in this 'boot camp,'
young people get an opportunity to get the answers they're looking for.

Dr. Anthony Horvath, a former middle-school and high school teacher
and experienced Christian apologist will run the 'boot camp.' Having
spent some time as an atheist himself, you can be sure this will be
a very practical and relevant experience. Recommended
for students aged 13-18. Parents and pastors are
encouraged to attend, as well.
