

Athanatos Christian Art Contest

It is as important as ever for Christians to engage society in the most powerful way they know how. Athanatos Christian Ministries understands that many Christians want to use their passions and talents to further God's kingdom, but most of the time, those passions and talents do not fit neatly into a 'box' that makes sense to other Christians, or even the world. We serve a creative, creating God, and as we are made in his image, we likewise are full of surprises.

This series of contests is designed to encourage Christians from all walks of life to think about how they can take their gifts and passions and refine them into something of excellence, so that what we do may march before us into the world and perhaps beckon to others to meet the Maker of the ones who made such wonders.

Requirements and Judging Process

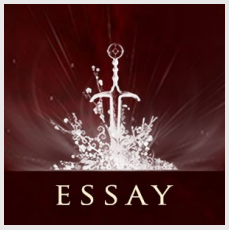

The entrants determined to be in the top 10% in each category will be notified of such sometime in June, 2017. The top 10% in each category will then be invited to attend Athanatos Christian Ministry's **2017 Christian Arts and Apologetics Festival** *at **no** cost to them or their immediate families*.

At the festival, they will present or perform their work before a panel of judges designated for their particular contest category. The judges will then select the winning entry, which will be announced at the main tent on Saturday, August 5th, 2017.

Entrants must be present at the festival to be considered for the grand prize, however a $100 'second place' prize will be awarded in each contest category after the festival, regardless of whether or not the individual attended the festival.
